

New Choices from the Leader in Laboratory Wiping

KIMTECH SCIENCE* Dusting System

The newest addition to the KIMTECH SCIENCE* Brand family.

Designed specifically to meet the stringent needs of the laboratory, the new KIMTECH SCIENCE* Dusting System delivers the quality you expect from the KIMTECH SCIENCE* Brand. This easy-to-use system takes an innovative approach to cleaning under, over and around surfaces, shelves and equipment.

Duster Head

- 389,000 dust-trapping polyester fibres trap and hold dust and other particles
- Environmentally friendly, chemical-free dusting leaves no residue, suitable for surfaces
- Soft, flexible fibres change shape for dust pick-up in crevices and contours where dust cloths can't reach

Duster Handle

- Six inch handle with ergonomic grip for dusting low areas
- Ready to use with no handle assembly required
- Folds for space-saving storage
- Faster, more effective lab dusting
- Disposable, easy-to-change duster heads
- Suitable for cleaning surfaces
