Low cost maintenance hygienic bath tissue

Single Sheet Toilet Tissues

Effectively meet your needs for cost control, easy maintenance, image and hygiene. With Single Sheet Toilet Tissues you manage the system rather than the system managing you.

Benefits

Easy Maintenance

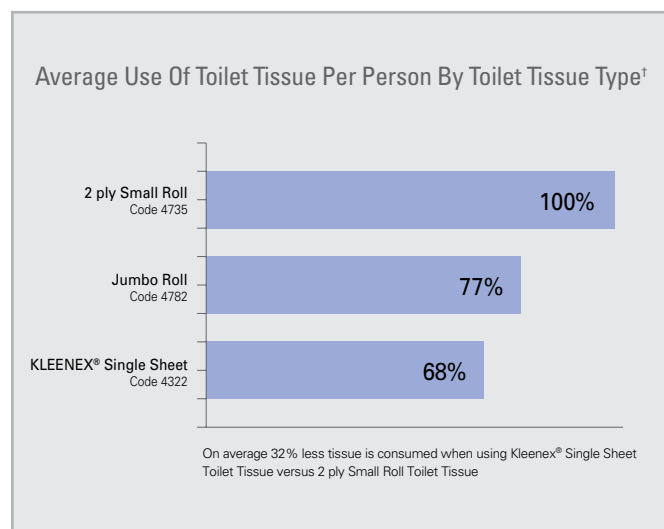

- ▶ Easy to load and top up – saves time for cleaners and minimises risk of run outs
- ▶ High capacity dispensers – toilet tissue lasts longer, so less frequent servicing required
- ▶ Viewing window – easy checking
- ▶ Replenish at your discretion to fit with your cleaning regime

Image/Hygiene

- ▶ Tissue protected – always clean and hygienic as the users only touch the sheet they use
- ▶ Smart and stylish dispensers enhance washroom image

Cost Control

- ▶ Single sheet dispensing – reduces usage (people use up to 32% more paper off a roll than a single sheet system)[†]
- ▶ Eliminates roll waste
- ▶ Lockable dispensers – deter misuse and theft
- ▶ Choice of 1 or 2 ply tissue

Common Washroom Problems

Single sheet toilet tissues help eliminate common washroom problems like the following:

✗ Wasted Rolls

Users can pull off long lengths of tissue causing waste, and with potential to block drains.

✗ Empty Rolls

Rolls run out, often creating the need to replace rolls before they are fully used (creating unnecessary waste rolls).

✗ Contaminated Rolls and Stolen Rolls

Spare rolls are left in the cubicles which are subject to pilferage, waste and contamination.
