

## Product Technical Bulletin

**Product Name:** KIMTECH PREP\* SCOTTPURE\* Critical Task Wipers

**Description:**

A low lint rayon/polyester spunlace wiper, with no binders or surfactants, designed for critical wiping tasks in clean manufacturing environments where precision and reliability are essential. The wipers are cloth-like with excellent absorbency, solvent resistance and very low extractables.

The wiper complies with the following specifications and Certificates of Conformance are available on request;

- Boeing Material Specification BMS 15-5F – class A
- Aerospace Material Specification SAE AMS 3819C – class A

**Product information:**

Product code	Product Format	Colour	Sheet Size	Pack Count
06121	Quarterfold	White	30cm x 38cm	100 sheets x 4 bundles
06151	Quarterfold - carton	White	30cm x 58cm	50 sheets x 8 cartons
06193	Centrefeed roll	White	17.5cm x 17.5cm	225 sheets x 6 rolls

**Wiper properties:**

Property	Result (average)	Test method
Bulk (0.001 inch)	25.0	ASTM D3776
Tensile CD Grab (lb)	20.4	ASTM D5034
Tensile MD (lb)	32.5	ASTM D5034
Taber abrasion (cycles)	45	Model 503 H-18 wheel
Absorbency (ml/m <sup>2</sup> )	448	IST 10.2 (98)

**Workmanship standard:**

Wipers are made in accordance with reasonable industry practice with respect to holes, tears, wrinkles, cleanliness and foreign materials or dirt. Edges are cleanly cut and not ragged. Wipers are folded as specified. Wipers have no disagreeable odour, either wet or dry, in accordance with reasonable industry practice.

**Ingredients:**

These wipers are rayon & polyester spunlace.  
Not classified as hazardous according to the criteria of NOHSC

**Additional Information:**

**Health Effects**

When used according to the company's directions and for the purpose for which they were intended, these wiping cloths will not have any adverse health effects.

**First Aid**

Swallowed: Remove any material causing obstruction. Seek medical attention if swallowed accidentally.

Eye: Remove any foreign matter and flush with water. Seek medical attention if irritation persists.

Skin: Non irritant.

Inhalation: Remove any material causing obstruction.

## Product Technical Bulletin

### **Precautions for Use**

Will burn if subject to excessive heat or flame. Do not use wiping cloths to clean or remove any material over 100°C. Burn properties change if flammable or combustible fluids are absorbed into the wiper.

### **Safe Handling Information**

Store away from any source of ignition. May react with strong oxidising agents. Fire fighters should wear personal protection and self-contained breathing apparatus. Use fire fighting media suitable for principal cause of fire. Do not allow product to enter drains or waterways.

### **Disposal Information**

Disposal of uncontaminated wiper to ordinary landfill or properly managed municipal incineration is suitable. Dispose contaminated wipers in accordance with local regulations.
