SUPPORT & QUALITY GUARANTEED

Professional Support

Kimberly-Clark Professional offers more than just quality products and trusted brands. We work with you to deliver cost-effective solutions that make your job easier and create the very best impression for your tenants, guests or employees.

No Quibble Guarantee

The consistent quality of our products and systems allows us to offer the reassurance of a money-back or replacement of stock guarantee, assuring you of trouble-free performance.

No Risk Trial

We are confident that the products we recommend will improve your productivity, control costs, and enhance hygiene. If, after a 60 day trial (or an agreed time), you have spent more than your current washroom, wiping or skincare system, we will reimburse the difference with Kimberly-Clark product (up to a maximum value of \$1000). Ask your Kimberly-Clark Professional Representative for program conditions.

Environmental Policy

Kimberly-Clark Australia reviews and continually improves its environmental management system, with the objective of improving its overall environmental performance. We operate all locations to comply with applicable regulations and to meet ISO 14001 or its equivalent. Our products are designed and produced to conserve resources by reducing use of raw materials, packaging and energy in manufacture, and by recycling production wastes.

Customer Care Line

We understand the importance of providing after sales service, information and support. The answer to any query you may have is only a phone call away.

KIMTECH^{Prep}^{*} Wipers

ENGINEERED PERFORMANCE YOU CAN RELY ON

KIMTECH PREP^{*} Wipers are specifically designed for wiping tasks where low lint or use of chemicals are required. They are ideal for use in critical applications involving solvents, inks and paints. They are also suitable for use in food production areas including wiping down machinery and benches leaving the surface hygienically clean and streak free.

Strong and Absorbent

- Low-lint polypropylene construction
- Strong heavy duty wiper with high wet strength
- Perfect for use with lubricants, grease and oil
- Acid, base and solvent resistant

Cost Effective

- One at a time dispensing controls usage and reduces waste
- Can be rinsed clean for use again and again

Convenient Dispensing Options

- Wall mounted and portable dispensing options ensure the wipers are where you need them, increasing your effectiveness

Typical Uses

- Cleaning glass, windows or stainless steel
- Machinery wipe down in food production areas
- Furniture finishing
- Engine assembly / repair
- Pre-packaging wipe down
- LCM panel assembly
- Appliance assembly
- Cleaning hydraulics
- Rubber or metal printer roll cleaning

CAUTION: As with cloth or sponge, do not use KIMTECH PREP^{*} Wipers with an open flame or at temperatures higher than 150°C (300°F).

- 100% polypropylene wiper which is treated with a surfactant for superior water absorbency.
